

VALUE

£3,000

Write your book at a relaxed pace with full support over 12 months.

This package is perfect for entrepreneurs who want to craft their book with guidance, but without rushing. You'll have access to a complete course, group coaching, templates, and an author community, giving you everything you need to successfully publish your book at a steady, comfortable pace. Ideal for those seeking a well-rounded approach to self-publishing while balancing their other commitments.
